### **Solarity employees donate to help wildfire victims**

Yakima, Washington (August 31, 2015) – As wildfires continue to burn in Washington and Oregon Solarity Credit Union employees are taking action by donating their money to help the victims.

During this difficult time Solarity understands the need to support their members and the affected community. Solarity employees have donated \$1,745 to aid the wildfire victims in our region and Solarity has matched their employees' contributions with a combined donation of \$3,490. The funds will be distributed through the American Red Cross to ensure immediate relief to those affected.

Solarity employees continue to show that they are committed to serving the needs of their community. Employees demonstrate this commitment throughout the year by fundraising and volunteering. In 2014, Solarity employees volunteered over 1,000 hours of their time and donated over \$11,000 to their Employee Community Partner, Rod's House. This focus and dedication by Solarity employees is benefiting their members and the communities they serve.

Solarity Credit Union and their employees will continue to strive to make positive things happen for their members and the community. For more information regarding Solarity's involvement in the community visit their website at [solaritycu.org/upcoming\\_events.htm](http://solaritycu.org/upcoming_events.htm).
